TO: Authors of Free Communication Abstracts

RE: Acceptance of Papers

I am pleased to inform you that the IASP Scientific Program Committee for the 9th World Congress on Pain has accepted your free communication paper for presentation at the Congress in August. We are pleased that you will be participating in the Congress and look forward to a productive gathering. Over 1,700 abstracts for free communications were submitted for presentation, an indication of the high interest worldwide in the Congress. Please note that all presenters are required to register for the Congress.

The early registration date deadline has been moved to June 1, 1999.

All Free Communication sessions will be held in the Exhibition Hall of the Austria Centre Vienna and the location will be clearly indicated in the program booklet and abstract book. Guidelines for preparing your presentation are attached. Your paper is scheduled as follows:
